

SPH plus

Horizontal arrangement of the design strips, thermostat mounted on the side with special heat storage stones for an optimum between short heating times and long heat emission. The "Plus"-Thermostat allows you to operate the device easily. Thermostat with weekday function, detection of open windows and adaptive start control (setting options: comfort, lowering, frost protection), connection cable 1.5 m with plug.

Model white	Power [KW]	Dimensions B x H x T [mm]	Weight [kg approx.]	Order number	Price [Euro]
